

3<sup>rd</sup> March 2025

Dear Parents/Carers,

It saddens me to inform you that we had intruders in school on Saturday afternoon.

A large number of youths came into the nursery playground and set fire to some nursery equipment.

Firefighters attended and were able to control the fire and put it out. The aftermath was destroyed equipment and the associated debris in the playground. We have worked hard to remove this, to ensure our nursery children could safely play outside today.

We do have CCTV of the incident and some of the youth's faces are clearly visible. The police are now investigating this incident.

Yours Sincerely,

T. Webley

Headteacher
